Dear Mr. Brown:

Please find enclosed a complete and up to date set of active and inactive registration certificates for your use. I have also enclosed copies of three different sealed source and device reports. These reports contain active vendors and products, active vendors and inactive products and inactive vendors and products.

As certificates become new, amended or inactive, I will be forwarding them to you with a memo stating the changes. At that time, please replace or append these certificates as appropriate to the sealed source and device hard copy files.

If you find any discrepancies with the registration certificates or have any questions or concerns, please contact me at (301) 415-7857.

Sincerely,
