Gentlemen:

Thank you for your letters, dated September 12 and December 3, 1984, in response to our letters dated August 16 and November 26, 1984. We have reviewed the response given in the December 3, 1984, letter and find that it does adequately provide a reasonable assurance that contractor employees meet the test of trustworthiness against the insider threat. We have no further questions at this time and will review your corrective action during a future inspection.

Sincerely,
