In the Matter of:
Virginia Electric and Power Company
North Anna Power Station, Units 1 and 2
Docket No. 50-338/339 -- OLA-1

Dear Judge Wolfe:

As you requested, the parties have discussed a possible schedule for the filing of testimony and the holding of a hearing in this proceeding.

We have agreed on the following recommendation: testimony would be filed on April 26 and the hearing would begin on May 14.

The parties have also discussed the possible location for a hearing, and each has its own thoughts on that matter. Perhaps you might wish to convene a conference call in the near future so that we might discuss both the proposed schedule and the site of the hearing.

Sincerely,

Michael W. Maupin
