NRC STAFF'S REQUEST FOR EXTENSION OF TIME

The NRC Staff respectfully requests an extension of one week until January 14, 1985 within which to file its response to CCANP's "Motion for Reconsideration of ASLB Order of November 16, 1984." This extension is made necessary by the press of other business before the Commission and need to review former pleadings and orders in this proceeding in order to prepare a proper response to the subject Motion for Reconsideration.

The parties have been notified of this request on January 4, 1985, and have stated that they have no objection to this extension.

Respectfully submitted,
