Dear Mr. Adam:

Re: NRC License No. 12-18786-01

We are in receipt of your letter of January 10, 1985 approving our requests for amendments to our license dated September 24, 1984. Our License prior to this request authorized the following users:

B. Salafsky  
Harlan Hill  
David Turriff  
Norman A. Crouch  
Fu-Li Yu  
John Engblom  
Alan C. Fusco  
Glenn Takimoto  
Jaclyn Vidgoff  
Harold L. Komisky

RECEIVED BY LFMB	
Date	2/19/85
Log	Jan 24 1985
By	CB
Orig. To	RTT
Action Compl.	OK

We had requested the removal of four names: Harlan Hill, David Turriff, Jon Engblom, and Glenn Takimoto. Yasuo Watanabe has now left the University and should be dropped from the list, but Amendment No. 08 does not authorize Drs. Jaclyn Vidgoff and Harold L. Komisky, and we do hereby request that Amendment No. 08 be revised to include their names as follows:

Jaclyn Vidgoff, Ph.D. Hydrogen-3 and sulfur-35  
Harold L. Komiskey, Ph.D. Hydrogen-3, carbon-14 and sulfur-35

Sincerely,

C. L. Edwards, M.D.  
Chairman, Radiation Safety Committee
