

MEMORANDUM FOR: James L. Milhoan, Regional Administrator  
Region IV  
FROM: E. L. Williamson, Director  
Office of Investigations Field Office, Region IV  
SUBJECT: SOUTH TEXAS PROJECT: ALLEGED FALSIFICATION OF EQUIPMENT  
CLEARANCE ORDERS (CASE NO. 4-93-029)

This investigation regarding potential wrongdoing was initiated by the Office of Investigations (OI) on June 3, 1993, under OI Case Number 4-93-029. Coordination has been effected with Regional Counsel and your technical staff. OI evaluation of the surrounding facts and circumstances indicates that further investigation may be warranted; however, we have been advised that the priority of this matter is low and higher priority cases take precedence. OI is therefore closing this investigation by this memorandum.

Copies of all documents, reports of interview, statements and transcripts obtained by OI during the investigation will be made available at your request. If at a future date your staff develops information which raises the priority of the issues involved, please advise my office, and we will reevaluate.
