# Memorandum

*Sandel*

TO : Glen T. Brown, Radiation Specialist  
(Supervisory), Region IV, Division of Compliance

DATE: 14 APR 1965

FROM : *Paul R. Nelson*  
Paul R. Nelson, Radiation Specialist  
(Supervisory), Region I, Division of Compliance

SUBJECT: REQUEST FOR ASSIST INSPECTION, SCHUMBERGER WELL SURVEYING CORPORATION,  
HOUSTON, TEXAS, LICENSE NOS. 42-90-3 AND SNM-287

CO:I:EE

Regarding your letter of March 12, 1965 requesting assist inspection of use of above licenses by subject licensee at Ridgefield, Connecticut, we wish to inform you that there is no use of these licenses at the Connecticut location.

Inquiry made at Ridgefield, Connecticut on April 7, 1965 by Eugene Epstein, Radiation Specialist, Region I, Compliance, revealed the subject corporation at Ridgefield is separately licensed by License No. 6-807-1 for use of all materials contained in your License No. 42-90-3 for both laboratory and field inspection and also possess License No. SNM-239 comparable to your License No. SNM-287.
