Docket No. 50-302

Florida Power Corporation  
ATTN: Mr. Walter S. Wilgus  
Vice President, Nuclear Operations  
Post Office Box 14042, M.A.C. H-2  
St. Petersburg, Florida 33733

Gentlemen:

We have received copies of the following applications which were filed with the Office of Nuclear Reactor Regulation (ONRR) for review in connection with the Crystal River Nuclear Generating Plant Unit No. 3:

1. A December 4, 1981 application, as revised by letter dated April 23, 1982, for changes to the Physical Security Plan. A Class III fee (\$4,000) was remitted with this application pursuant to 10 CFR 170.22 of the March 23, 1978 regulations.
2. An October 31, 1983 application relating to testing of the Engineered Safeguards actuation logic. Fees pursuant to 10 CFR 170.22 of the March 23, 1978 regulations were not remitted with your application.
3. An October 22, 1984 application for a permanent exemption from installation of a reactor vessel head vent. An application fee of \$150 pursuant to 10 CFR 170.21 of the June 20, 1984 regulations was not remitted with your request.

Based on information provided by the ONRR staff, it has been determined that:

1. A refund of \$4,000 is appropriate for Item 1 above because the ONRR staff has advised us that the changes to the Physical Security Plan are consistent with 10 CFR 50.54(p) (see letter dated June 7, 1982) and do not decrease the effectiveness of the plan and, therefore, do not require ONRR approval. Consequently, fees are not required for this submittal.
2. A Class III fee (\$4,000) is appropriate for Item 2 above since the review involved consideration of a single safety issue. This request was completed by an August 22, 1984 letter and safety evaluation issued to you.

JAN 8 1985

- 3. An application fee of \$150 should be remitted for Item 3 above since this application was filed after the June 20, 1984 effective date of the revision to 10 CFR 170 which requires licensees to remit an application fee of \$150 with each application for license amendment, relief, exemption and other request. Your Corporation will be billed for any additional costs for the review of this application in accordance with 10 CFR 170.12(c) and 170.21.

Since a \$4,000 refund is due your Corporation for Item 1 above and \$4,000 is due the USNRC for Item 2, we are applying the \$4,000 refund due your Corporation to the \$4,000 due the USNRC. We hope this transaction meets with your approval. It is requested that your Corporation remit the \$150 application fee required for Item 3.

Sincerely,

Original Signed by  
 Wm. O. Miller
