APPEAL OF INITIAL FOLA DECISION 96-A-07 E [96-110 Rec'd 4-17-96

April 10, 1996

Mr. James M. Taylor Executive Director for Operations U.S. Nuclear Regulatory Commission Washington, D.C. 20555

#### Re: Appeal from an Initial FOIA Decision (Reg. 96-110)

Dear Mr. James:

This letter will serve as Alexandria Hospital's appeal from the denial of access to portions of a certain document under the Freedom of Information Act by Stewart D. Ebneter, Regional Administrator, Region II. Attached is the letter excluding such portions from our FOIA request.

Portions of this document have been withheld pursuant to 5 U.S.C. § 522(b)(5). Alexandria Hospital appeals this determination to the extent that the document contains segregable portions not within the exemption.

Section 522(b) provides that "[a]ny reasonable segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt from this subsection." 5 U.S.C. § 522(b). Generally, the agency bears the burden of showing that no such segregable information exists. Ethyl Corp. v. United States EPA, 25 F.3d 1241, 1250 (4th Cir. 1994).

Alexandria Hospital requests that you produce copies of those portions of the withheld document (described on Appendix C) that contain segregable information. Alexandria Hospital will pay the reasonable cost of copying those documents.

Thank you for your consideration.

Sincerely,

Thomas P. Murphy
