PAYMENT OF AMENDMENT FEE

Dear Ms. Diggs:

By letter dated January 10, 1985, you advised Georgia Power Company that fees pursuant to 10 CFR 170.22 (of the March 23, 1978 regulations) were not remitted in our submittal of August 12, 1983 transmitting inservice inspection programs for NRC review and approval. We concur with the determination that a Class III fee (\$4,000) and a Class I fee (\$400) are appropriate since the review involved consideration of a single safety issue and a duplicate unit. Enclosed herein is our remittance of \$4,400.00. We regret this oversight.

Sincerely yours,

L. T. Gucwa
