RE: Georgia Power Company, et al.;  
Plant Vogtle Operating License Proceeding;  
NRC Docket Numbers 50-424 and 50-425 OL

Dear Administrative Judges:

The Intervenor and the Applicants have made certain changes in the service list for pleadings and the NRC correspondence list. In a March 26 conversation between Laurie Fowler for the Intervenor and myself for the Applicants (confirmed in my letter to Ms. Fowler, Attachment A), we discussed changes in the service list to eliminate unnecessary copying and servicing, while ensuring that those who need pleadings will receive them.
