SUBJECT: NRC REGION II AVAILABILITY DURING THE OLYMPICS

Dear Dr. Karam:

This is to inform you that because of the Olympic Games being held in Atlanta, the routine NRC Region II office hours are being changed to 6:00 a.m. to 2:00 p.m. for the period of July 15 through August 9, 1996. The Region II staff will continue to remain available at all times to respond to emergencies.

Each technical Division has developed a staffing plan and roster for this period to assure the continuity of all essential functions; however, we recommend that routine meetings be avoided in the Region II office during this period due to the anticipated traffic conditions.

If you have any further questions in this regard, please contact me at 404-331-5547.

Sincerely,

151

Edward J. McAlpine, Chief  
Fuel Facilities Branch  
Division of Nuclear Materials Safety
