1900 M Street, N. W.
Washington, D.C. 20036

IN RESPONSE REFER
TO FOIA-84-250

Dear Mr. Belair:

This is in further response to your letter dated April 4, 1984, in which you requested, pursuant to the Freedom of Information Act (FOIA), three categories of records concerning the Long Island Lighting Company or the Shoreham Nuclear Power Station.

By letter dated May 4, 1984, we provided a partial response to your request and informed you that the staff was searching for and reviewing additional records subject to your request.

At this time, we are enclosing Appendices C and D which identify additional records which are available for your inspection and copying at the NRC Public Document Room, 1717 H Street, N. W., Washington, D. C. 20555. Certain records which were referred to NRC from the Federal Emergency Management Agency for disclosure determinations with regard to your separate FOIA request to that agency are identified by asterisks on the enclosed appendices.

The staff is continuing to search for and review additional records subject to your request. We will notify you as search and review are completed.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
