Docket No. 50-293

Mr. William D. Harrington
Senior Vice President, Nuclear
Boston Edison Company
800 Boylston Street
Boston, Massachusetts 02199

Dear Mr. Harrington:

SUBJECT: COMMENTS ON THE REPORT OF THE NRC FIRE PROTECTION
POLICY COMMITTEE (50 FED. REG. 2056)

Re: Pilgrim Nuclear Power Station

We have received your letter dated February 22, 1985 requesting an extension of 30 days from February 14, 1985 for submitting comments on the NRC Fire Protection Steering Committee Report. Although we are not extending the comment period, as we informed Mr. Venkataram of your staff on March 8, 1985, we will take into account any comments you can submit to us early in March. We are trying to maintain an expeditious schedule to report to the Commission so that we can proceed with implementing a policy for expediting conformance to fire protection requirements.

Sincerely,

Original signed by/
