Dear Ms. Taylor:

Reference: Licenses 06-08185-02E, 06-08185-03,
06-08185-06E, and my letter to
you dated 5/22/84.

In response to my letter of 5/22/84, your office has furnished blank copies of NRC form 314 for our action. In a telephone conversation with Ms. Doris Foster, she advised an official termination was being processed for license # 06-08185-07 and all I needed to do was complete form 314 for each of the three referenced licenses.

Attached find completed copies of NRC form 314 for each of the referenced licenses.

If there is anything further you require, please give me a call. My number is (203) 573-5601. We will be shutdown for vacation from 7/16 thru 7/27/84.

Sincerely,
