Re: Freedom of Information Act Request -  
Western New York Nuclear Service Center,  
West Valley, New York

Dear Sir:

Pursuant to 10 CFR § 9.8, I hereby request copies of documents in the possession of the Nuclear Regulatory Commission relating to a shipment of fuel assemblies from the Western New York Nuclear Service Center to Battelle Pacific Northwest Laboratories which occurred around May-July of 1978. It is my understanding that this transfer was handled as part of a DOE demonstration project shipment. Documents requested include any notes, comments and/or reports of inspection of the West Valley facility during this timeframe.

Because the documents requested are important to pending federal court litigation, I would appreciate it if the documents
