P. O. Box 811
Stamford, Connecticut 06904

Dear Mr. Seidal:

Based on the information submitted by your letter dated October 29, 1984 we have concluded that your Model 41574 Series Backscatter gauge design is acceptable for licensing purposes in accordance with the conditions of the attached certificate of registration.

We have forwarded a copy of this certificate to Region I so they can continue with the licensing action.

You are reminded that possession and distribution of this device is contingent on the receipt of the amendment to your possession and distribution license.

If you have any questions please contact me at (301) 427-9005.

Respectfully,

/s/
