Dear Mr. Webb:

Subject: Willste Building Elevators, Handicapped Facilities
Lease #GS-11B-20003

Confirming our telephone conversation of Tuesday morning, February 8, 1983, the first sentence of paragraph four (4) of Rider #4 of the Subject Lease addresses the requirement to modify the "elevators" to accommodate the handicapped. Your letter to me dated January 28, 1983 references modifications to only one (1) elevator that is being equipped for the handicapped requirements.

Since these modifications are incomplete and remain the responsibility of the Lessor, we are bringing this to your attention and request prompt satisfaction of the requirements specified in the referenced Lease Rider #4.

Sincerely,

Richard E. Iselin, Chief
Building and Operations Branch
Division of Facilities and
Operations Support, ADM
