**SUBJECT: Declassification of HL&P Correspondence As Safeguards  
Information**

Dear Sirs:

In accordance with 10CFR73.21, the HL&P letter with correspondence number ST-HL-AE-3942, dated December 10, 1991, concerning security measures associated with temporary construction, has been declassified as safeguards information.

The referenced letter was declassified on July 14, 1992. All construction work associated with the MOF project has been completed and the Protected Area boundary has been restored to its normal configuration. The temporary changes and compensatory measures as described in the letter are no longer applicable.

Please deface the SGI markings, remove the Material Cover Sheets, if present, and mark the initial page as "Removed From Safeguards Information Category".
