Dear Mr. Randin:

Enclosed for your staff's review and comment are two (2) copies of a Draft Environmental Assessment (EA) for Western Nuclear Inc.'s, proposed Willow Creek R&D ISL Project. To avoid scheduling problems, we would appreciate your staff's comments by no later than January 25, 1985, so they can be addressed prior to finalizing the document. Any questions concerning the EA may be directed to myself at (303) 236-2805 or Paul R. Hildenbrand at (303) 236-2812.

We look forward to receiving your staff's comments in the very near future.

Sincerely,
