Rec'd 6-14-84

Dear Mr. Felton:

This request is made under the federal Freedom of Information Act,
5 U.S.C. 552.

Please send us copies of the transcripts of all Nuclear Regulatory Commission meetings held since Jan. 26, 1984 that were closed to the media and the public and at which commission members discussed the restart of Unit 1 of the Three Mile Island nuclear power plant near Middletown, Pa.

Please also send us copies of all documents, reports, orders and memoranda of the commission and the staff which are the subject of review and discussion at all closed-door meetings on the same topic since Oct. 1, 1981 and continuing to the present.

As you know, the FOI Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. We reserve the right to appeal your decision to withhold any materials.

If you have any questions about this request please call us at 215-854-6882 (Jim Detjen) or 215-854-1258 (Susan FitzGerald).

Thank you for your assistance. We look forward to receiving your reply within 10 business days, as required by law.

Sincerely,

Jim Detjen and Susan FitzGerald
