Mr. Darrell G. Eisenhut, Director  
Division of Licensing  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Eisenhut:

This is in response to your letter of December 28, 1984 concerning our AGN-201 Nuclear Reactor Facility (Docket No. 50-77). At your suggestion, we are requesting a possession-only status license.

Sincerely yours,

Edward D. Jordan  
Reactor Administrator
