APPEAL OF INITIAL FOIA DECISION

91A23E(91-486)

Rec'd 12-24-91

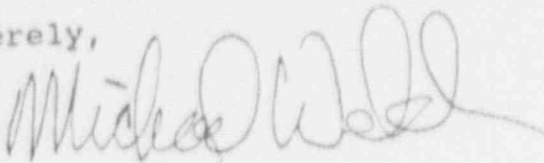

re: Appeal from an initial FOIA decision. #91-486

Dear friends:

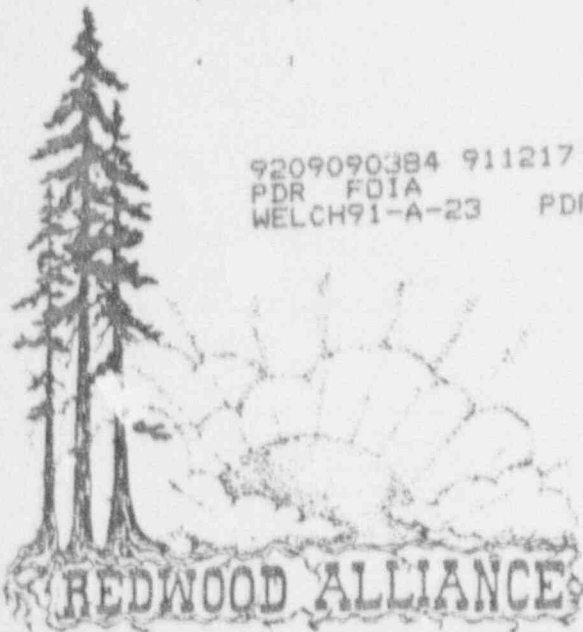

We feel that there must have been an error in your response. It seems extremely unlikely that there are no INPO reports with regard to Diablo Canyon and Humboldt Bay nuclear power plants.

Please review your records once again, and let us know what's up.

Sincerely,

Michael Welch
