Title: Public Seminar to Discuss Temporary Regulatory Relief Pathways for Non-Medical NRC Radioactive Materials Licensees during the COVID-19 Public Health Emergency

Date(s) and Time(s): April 23, 2020, 01:00 PM to 02:30 PM

Location: Webinar

Category: This is a Category 3 meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: The purpose of this seminar is to discuss how non-medical NRC radioactive material (10 CFR Parts 30 and 34) licensees can request temporary regulatory relief during the COVID-19 public health emergency through submission of certain exemption requests. The NRC staff would like to hear from licensees regarding the types of exemptions they may need during the ongoing public health emergency
