SUBJECT: PREHEARING CONFERENCE TO CONSIDER APPLICATION  
OF CONSOLIDATED EDISON COMPANY OF NEW YORK  
(INDIAN POINT 2), DOCKET NO. 50-247

The prehearing conference to consider the application from the above company for a license to operate a nuclear power plant will be held on Tuesday, December 1, 1970, at 10:00 a.m. in the auditorium of the Hendrik Hudson High School, Albany Post Road, Montrose, New York. The members of the Board are Mr. Samuel W. Jensch, Chairman; Dr. John C. Geyer and Mr. R. B. Briggs. Mr. J. D. Bond is the Alternate Chairman and Dr. Walter H. Jordan is the alternate technical member.

Construction of Indian Point Unit 2 was authorized by an AEC permit issued in October, 1966. It will use a pressurized water reactor and will have an electrical output of approximately 873,000 kilowatts. The facility was built for the company by Westinghouse Electric Corporation, and is located in the town of Buchanan in Westchester County, approximately 24 miles north of New York City.

Petitions to intervene have been received from the New York State Atomic Energy Council, the State of New York, the Citizens Committee for Protection of the Environment, Environmental Defense Fund, Inc., and the Citizens League for Education About Nuclear Energy, Inc.
