Dear Ms. Holt:

Beth A. Greene is no longer employed at Keystone. Her responsibilities as the Radiation Safety Officer are being assumed by Rich Sommers. Rich is familiar with both the Brun and Kay Ray mold level control systems. In addition, he has successfully completed the Installation and Nuclear Radiation Safety Course offered by Kay Ray Inc. Enclosed is the \$40.00 license fee.

If there are any questions or problems regarding this matter, please contact Mr. Sommers at (309) 697-7409.

Sincerely,

R. L. WITZIG
