Ms. Cynthia L. Tully
Southern Nuclear Operating Company
P.O. Box 1295, Bin B052
Birmingham, Alabama 35201

Dear Ms. Tully:

SUBJECT: APPEAL OF NRC STAFF DECISION REGARDING UPGRADED NEUTRON FLUX
MONITORING SYSTEMS FOR BWRs

This letter is in regard to an appeal by the BWR Owners' Group dated August 16, 1990, on the above subject. The NRC has completed its review of that appeal, and I have concluded that upgraded neutron flux monitoring systems are not needed for current BWR's.

Sincerely,

Original signed by
Thomas E. Murley
