6. A complete explanation of Grinnell's meeting results with the NRC on 2/26/92.

Discussed were:

- o All personnel in attendance at meeting
 - o NRC comments on our letters sent to them
 - o Most importantly, Grinnell commitments that were proposed to the NRC including:
 - 1. Total commitment to all NRC Rules & Regulations
 - 2. The use of our new project authorization form and our commitment to send this to the NRC monthly for review
7. The most important point stressed was Grinnell's total commitment to abiding by all NRC Rules & Regulations and the results if these rules are broken.

Very truly yours,
