Docket No. 50-341

Allegation AMS-RIII-92-A-0112

The Detroit Edison Company
ATTN: W. S. Orser
Senior Vice President
Nuclear Generation
6400 North Dixie Highway
Newport, MI 48166

Dear Mr. Orser:

The U. S. Nuclear Regulatory Commission, Region III, recently received information concerning activities at the Fermi 2 Nuclear Plant. Details are provided for your review and followup in an enclosure to this letter.

We request that Detroit Edison Company fully analyze the information and take all actions that you deem appropriate to resolve the issue. We also request that the results of your review and disposition be submitted to us within 30 days after receipt of this letter. We request that your response contain no personal privacy, proprietary, or safeguards information so it can be released to the public and the Public Document Room. If necessary, such information shall be contained in a separate attachment which will be withheld from public disclosure. The affidavit required by 10 CFR 2.790(b) must accompany your response if proprietary information is included.

The enclosure to this letter should be controlled and distribution limited to personnel with a "need-to-know" until your investigation of the allegation has been completed and reviewed by NRC Region III. The enclosure to this letter is considered as Exempt from Public Disclosure in accordance with Title 10, Code of Federal Regulations, Part 2.790(a). However, in accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter, excluding the enclosure, will be placed in the NRC Public Document Room.

The response to this letter and the accompanying enclosure are not subject to the clearance procedure of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
