Manager, Water Quality
VEPCO
Richmond, Virginia 23261

Dear Dr. Taylor:

The Executive Director has approved the attached effluent limitations and monitoring requirements and directed the staff to reissue an NPDES Industrial Permit to VEPCO and Old Dominion Electric Cooperative, North Anna Power Plant. This approval is in accordance with a memorandum dated 18 March 1985 from the Assistant Director of Operations, Office of Water Resources Management. A copy is enclosed for your information.

Virginia-NPDES Permit No. VA 0052451 is also enclosed. In accordance with the permit, the permittee is required to submit monitoring reports to the Valley Regional Office. These reporting forms are included with the permit. The permittee will be responsible for obtaining additional copies of the reporting forms.

If you have any additional questions, please do not hesitate to contact us.

Sincerely yours,

Larry G. Lawson, P.E.
Assistant Director of Operations,
Office of Water Resources Management
