**Withdrawal of Operator License Application**

"Submittal of Certified Operator License Applications."

Dear Sir:

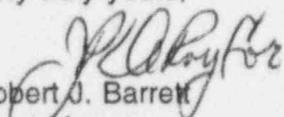

The New York Power Authority is requesting the withdrawal of the following operator license application for Senior Reactor Operator (SRO):

- Tim Michael Jenkins

The operator license application was one of five other SRO applications submitted by the referenced letter. The withdrawal is a result of new information presented to the Authority after the application submittal and a subsequent medical assessment. The Authority is making no commitments in this submittal.

If you have any questions regarding this request, please contact Mr. Richard Robenstein at (914) 736-8904.

Very truly yours,
