Subject: Application for Byproduct Material License Industrial
(Form NRC 131) for Beta Control

Dear Mr. Hickey:

We are enclosing in duplicate an application for byproduct material license industrial on a thickness measuring guage on the Beta Control. The use of this instrument is for determining thicknesses on film and polyurethane and polyethylene foam.

Regarding Items 15, 16 and 17, these resumes and information will be forthcoming from our factory in West Germany and will be forwarded to you immediately upon receipt. We, however, hope that your review of the application will not be delayed while awaiting these documents.

We are enclosing a check in the amount of \$460.00 for the required filing fee, as well as a check in the amount of \$570.00 for a device review.

Very Truly yours,
