Gentlemen:

This is in reply to your letters dated July 24, 1991, and October 7, 1991, concerning fee Category 3B assigned to your License No. 21-21068-01. We received your payment for Invoice No. AM05873-91 for fee Category 3B.

I have reviewed the authorized use of the byproduct material under the license and confirm that fee Category 3B has been correctly assigned to the license. The Commission considers your activity "commercial distribution" even though your sole contractual customer is the Department of the Army. Other companies whose licenses authorize similar activities and sale of products to the military are classified in fee Category 3B.

I apologize for the delay in responding to your letters and appreciate your paying the invoice while we reviewed the authorized use of your license. Since Category 3B is correct, no refund is due for Invoice No. AM05873-91.

Sincerely,

*JS*
