Dear Ms. Rogers:

Please find enclosed one photocopy of transcripts taken at each of two scoping meetings held on September 24, 1992. The meetings addressed an Environmental Impact Statement (EIS) being prepared jointly by the Nuclear Regulatory Commission, the Bureau of Land Management and the Bureau of Indian Affairs. The transcript provides a record of questions, comments, and concerns to be addressed in the EIS. Please see that all appropriate reviewers in your office receive a copy of these proceedings.

If you have any questions regarding the transcript, please contact Joel Grimm at (303) 231-5800.

Sincerely,

Ramon E. Hall
Director
