Mr. H. D. Webb
Mill Superintendent
Mines Development Incorporated
Edgemont, South Dakota

Dear Mr. Webb:

Attached is a report entitled "An Industrial Hygiene Survey of the Mines Development Incorporated Uranium Mill, Edgemont, South Dakota". This report has been prepared on the basis of a field investigation by the Division of Sanitary Engineering and the Public Health Service. The report includes information in regard to occupational health hazards and recommendations for the control of these hazards.

Please advise our Department if we can be of further assistance in regard to the control of occupational health problems.

Very truly yours,

Charles E. Carl, Director
Division of Sanitary Engineering
