Sir:

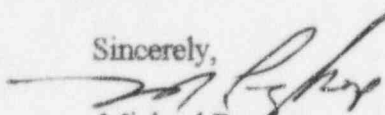

The following letter is a request for renewal of the Defiance Plant, Powertrain Division, General Motors; Quality Assurance (QA) program, to meet the requirements of 10 CFR part 71.

Attached to this cover letter is a copy of our QA program, and of our current procedures; CO 30-1, "Organizational Structure and Internal Inspection System of the Radiography Program", CO 30-6 "Survey of Incoming and Outgoing Radiographic Sources", LG-1 "Organizational Structure and Internal Inspection for the Cupola Level Gage Program", LG2-1 "Organizational Structure and Internal Inspection for the Cupola Level Gage Program", TO-1 "Organizational Structure and Internal Inspection of the Tomography Program", and TO-6 "Survey of Incoming and Outgoing Radiographic Sources". These procedures define our program for each area, and each type of source material used.

Also attached is the application fee for this renewal.

Please feel free to contact me should any question arise.

Sincerely,

Michael Prezkop
Radiation Safety Officer
