IN RESPONSE REFER
TO FOIA-84-707

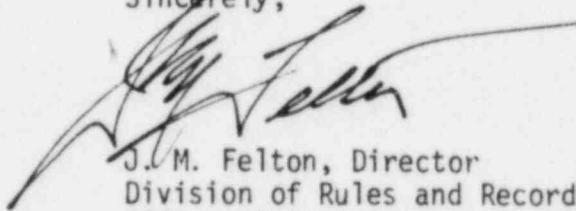

Dear Mr. Liwrungruang:

This is in response to your letter dated August 28, 1984, in which you requested, pursuant to the Freedom of Information Act (FOIA), "...the names, titles, addresses, and telephone numbers for the responsible Contracting Officer, Contracting Officer's Representative, and the senior Data Processing or Information Resource Manager for each installation or site location in the States of Maryland and Virginia and the District of Columbia where an HP 3000 minicomputer is used by your agency. The contractor and contractor representative information is requested where computer services are provided by non-government vendors at each of the identified HP3000 sites."

The NRC uses one HP3000 minicomputer. The information you requested regarding this equipment is included in Appendix A, a copy of which is attached.

This completes NRC's action on your request.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
