To Whom It May Concern:

I am requesting that my name be withdrawn from the Cayman Chemical Radiation License amendment request. Please note that this is not an amendment request, but a personal request. My employment at Cayman Chemical ceased on March 8, 1996. I no longer want my credentials to be used in obtaining the requested amendment, as I can no longer enforce NRC requirements at this company as the Radiation Safety Officer.

Please also note that I have made the same requests from Cayman Chemical Company prior to and after my departure on March 8, 1996.

If there are further questions regarding my request, please call me at my home phone number at (313) 741-9758.

Sincerely,

Camilla A. Mauzy
