SUBJECT: WESTERN INDUSTRIAL X-RAY INSPECTION COMPANY, INC.

This refers to your letter dated May 6, 1996, requesting approval of the radiation safety officer training proposed for Mr. Raymond Heath, Radiation Safety Officer for Western Industrial X-Ray Inspection Company, Inc. (WIX), as stipulated under the Order issued by the Atomic Safety and Licensing Board on November 16, 1995 (Order).

We have reviewed the information attached to your letter and find the proposed training, to be conducted by Mr. Frank Malek of Frank Malek & Associates, acceptable. Please be advised that as noted in Mr. Heath's memorandum, the Order specified a 3-day training course. Any changes in the dates specified in Mr. Heath's memorandum should be discussed with Ms. Linda Howell of my staff.

We also note that following the April 30 and May 6 conversations between you and Mr. Heath and Ms. Howell regarding audits required under the Order, that no further information has been received by this office regarding the consultant proposed by WIX. As the deadline for the first audit is approaching, you are encouraged to contact Ms. Howell at (817) 860-8213 promptly to discuss this matter.

Should you have any questions concerning this letter, we will be pleased to discuss them with you.

Sincerely,

Ross A. Scarano
