SUBJECT: REVIEW OF VOGTLE AUDIO TAPE NO. 141.

As requested by your memorandum of April 16, 1992, we have reviewed the transcription of Vogtle Audio Tape No. 141 in its entirety and concluded that there is no Safeguards Information contained in the transcription. There is a brief reference to physical criteria for a safeguards reading room on page no. 42 of the transcription, but nothing in our view that qualifies for protection as Safeguards information.

If we can be of further assistance, please contact Mr. David R. McGuire at FTS 841-5545.
