AFFIDAVIT OF KELLY HUNTER

STATE OF OKLAHOMA)	
)	ss.
Oklahoma Country)	

I, Kelly Hunter, of lawful age, being first duly sworn upon my oath, do depose and say:

1. That on August 15, 1996, I received several calls from Bob Pierce, legal counsel for the Nuclear Regulatory Commission.

2. That on the morning of August 15, 1996, I was informed by Bob Pierce that the State of Oklahoma would be given until September 20, 1996 to comment on the General Atomics and NRC Staff Motion For Settlement Agreement. He further stated that the Board would not deny the State of Oklahoma's Motion For Extension Of Time even though he believed that a Motion To Participate As An Interested State had not been filed.

3. That I informed Jeannine Hale of my conversation with Bob Pierce and she agreed that September 20, 1996 would be an appropriate date for comment

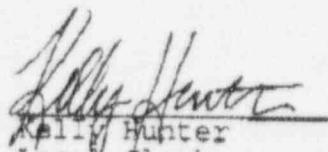

4. That on the afternoon of August 15, 1996, I received another call from Bob Pierce changing the initial deadline for comment to September 6, 1996.

5. That on August 16, 1996, I received another call from Bob Pierce in which he stated that he spoke too soon about the precise deadline for comment but that we would receive the Memorandum and Order on the State of Oklahoma's Motion on August 19, 1996.

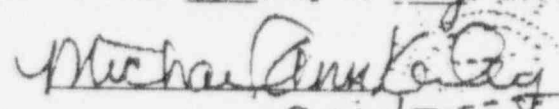

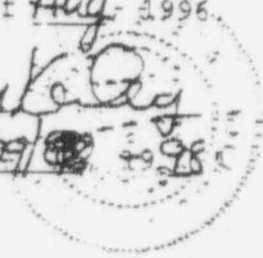

6. That on August 19, 1996, I received the Memorandum & Order on the Motion and could not determine the deadline for comment. I then contacted Bob Pierce who then informed me that the State of Oklahoma was not granted time for comment because a Motion To Participate As An Interested State had not been filed.

7. That because the State of Oklahoma was informed that the Motion would not be required to comment, the State did not request admission as an interested state prior to the Memorandum & Order of August 19, 1996.

8. That Jeannine Hale could not be informed of the Board's decision until August 20, 1996.
