Cleveland Cliffs Iron Company  
 ATTN: Truman E. Louderback  
 Director of Environmental Affairs  
 818 Taughenbaugh Boulevard  
 Rifle, Colorado 81650

Gentlemen:

Pursuant to Title 10, Code of Federal Regulations, Part 40, and your letter dated March 11, 1985, Source Material License No. SUA-1352 is hereby amended by adding License Condition No. 35, to read as follows:

35. Upon approval of restoration by the Uranium Recovery Field Office, the licensee may implement the decontamination, decommissioning and reclamation of the Collins Draw site in accordance with the site decommissioning plan submitted March 11, 1985, with the following modification:

- A. Respirators shall not be utilized in decontamination and decommissioning of the site unless CCIC has in place an NRC approved respirator program.

Prior to implementation, the licensee shall submit a schedule for site decommissioning to the Uranium Recovery Field Office for review and approval.

All other conditions of this license shall remain the same.

The effect of this amendment is to approve Cleveland Cliffs Iron
