MEMORANDUM FOR: Patricia G. Norry, Director, Office of Administration
FROM: John T. Collins, Regional Administrator, Region IV
SUBJECT: CONGRESSMAN GLICKMAN'S REQUEST TO MOVE THE LPDR FOR WOLF CREEK

We have had some discussions with the licensee on this matter to determine if there are considerations that should be factored into our decision process. The licensee has no objection to this move but wishes to point out that the move might be construed as a message of no confidence to Emporia State University, which has been very active in maintaining the LPDR.

Justin Abelson -

Empire Gazette

called about the possible relocation. I told him that he was brought up in the letter from NAN. He said someone from Lawrence called him about the material so now knows who was + what they were up to. He will contact Sue Hatfield to get a copy of entire package. We may be getting something from him. He was calling because of Mr. Stinson's letter.

City Manager McFall called re the proposed move of the LPDR material to Topeka. Told him what it was all about, who had submitted letters to us supporting the move req. by NAN, etc. He did not know very much about LPDR program; told him about it. He said we will probably be hearing from him and/or the Mayor of Topeka. Told him Sue Hatfield had a copy of what was submitted to us by NAN.

Wolf Creek LPDR Relocation 7/9

I rec'd a call from Roger Hartsook, News Director, KVOE + KLRF, to voice opposition to moving LPDR to Topeka. Will follow up w/letter. Tells is political thing done without anyone's knowledge in Emporia area.

He said Mr. Stinson, Pres. + Chief Exec. Officer, Emporia Chamber of Commerce, wrote to citizens, press, etc. to tell them of NAN's petition + seeking their support in voicing opposing views. Told to call me on 800 no. and/or to write to Jim Felton.

He wanted to know if I knew if anyone there in Emporia had a copy of NAN's petition. I told him I thought
Sure Hatfield did.
