

June 10, 1988

MEMORANDUM FOR: Steven A. Varga, Director
Division of Reactor Projects, I/II

FROM: Robert A. Capra, Director
Project Directorate I-1
Division of Reactor Projects, I/II

SUBJECT: PRIORITY OF PDI-1 OPEN TACS

DISTRIBUTION
~~Central Files~~
PDI-1 Rdg.
D Langford

PCapra
BBoger

Enclosed for your use is a Table showing, for each PDI-1 plant, how many TACS are open in each category of NRR's new priority ranking system.

The Table was developed for you in response to a May 27, 1988 memorandum request from Frank J. Miraglia, Associate Director for Projects. Per conversations with Richard F. Dudley and John Thoma, the tabular entries include all active items, whether or not they are planned accomplishments.

Robert A. Capra, Director
Project Directorate I-1
Division of Reactor Projects, I/II

Enclosure:
As stated
