

AUG 25 1992

Docket No. 50-336

Mr. John Opeka
Executive Vice President - Nuclear
Northeast Nuclear Energy Company
P.O. Box 270
Hartford, CT 06141-C270

Dear Mr. Opeka:

SUBJECT: REQUEST FOR WITHHOLDING INFORMATION FROM PUBLIC DISCLOSURE

By letter dated April 16, 1992, you submitted a supplemental response to your December 27, 1991, letter to us. Both letters were in response to our November 13, 1991, inquiry into your termination of two employees at Millstone Station. In your April 16 letter, you requested that the supplemental response be withheld in its entirety from public disclosure for the reasons previously explained in your December 27, 1991, affidavit that accompanied your original submittal. This request was made in accordance with 10 CFR 2.790 and is supported by the contention that the information concerns personal privacy matters. This is our response to that request.

While your affidavit states that the submittal contains personal privacy information, at this time we will not make a determination on your reasoning for withholding the document. However, the document will be withheld pursuant to 10 CFR 2.790(a)(7)(i). At a later date, we will act upon your affidavit.

You should understand that the NRC may have cause to review this determination in the future, for example, if the scope of a Freedom of Information Act request includes your withheld information. In all review situations, if the NRC makes a determination adverse to the above, we will notify you in advance of any public disclosure.

Sincerely,

Charles W. Hehl, Director
Division of Reactor Projects
