TRAINING: No special training is required for any documents issued with this Change Notice.

REMARKS: IP 84527, "Part 52 Solid Waste Management Program," has been revised to reorganize guidance for units being constructed at a site with existing operational units for which the same program will be used at all units and conditionally lowers the Resource Estimate.

Also revises guidance to inspect that materials will be appropriately stored and that Title 10 *Code of Federal Regulations* (10 CFR) Part 37 requirements will be met.

IP 84528, "Part 52 Liquid Waste Management Program," has been revised to update guidance for units being constructed at a site with existing operational units for which the same program will be used at all units and conditionally lowers the Resource Estimate.
