Mr. John T. Conway  
Executive Director  
Joint Committee on Atomic Energy  
Congress of the United States

Dear Mr. Conway:

A copy of Provisional Construction Permit No. CPPR-31 is enclosed for the information of the Joint Committee. A copy of a related notice which has been transmitted to the Office of the Federal Register for publication is also enclosed.

The construction permit authorizes Northern States Power Company to construct a boiling water nuclear reactor, designated as the Monticello Nuclear Generating Plant, at the company's site located near Monticello, in Wright County, Minnesota.

The permit has been issued pursuant to the Initial Decision of the Atomic Safety and Licensing Board, a copy of which is enclosed.

Sincerely yours,

( signed ) Harold L. Price
