IN RESPONSE REFER
TO FOIA-84-564

Dear Mr. Reynolds:

This is in further response to your letter of July 6, 1984, in which you requested, pursuant to the Freedom of Information Act (FOIA) and the Commission's FOIA regulations, five categories of documents regarding license and inspection fees.

Forty-one pages of documents, listed on Appendix A, are enclosed. The document listed on enclosed Appendix B is already publicly available at the NRC's Public Document Room, located at 1717 H Street, NW, Washington, DC. The accession number is indicated for your information.

The document listed on enclosed Appendix C is being withheld in its entirety because it is predecisional in nature and contains the advice, opinions, and recommendations of the Chairman to the Commissioners. This document is being withheld pursuant to Exemption (5) of the FOIA (5 U.S.C. 552(b)(5)) and 10 CFR 9.5(a)(5) of the Commission's regulations. There are no segregable portions of the document which may be released.

Pursuant to 10 CFR 9.15 of the Commission's regulations, it has been determined that the information withheld is exempt from production or disclosure and that its production or disclosure is contrary to the public interest. The person responsible for this denial is Mr. John C. Hoyle, Assistant Secretary of the Commission.

This denial may be appealed to the Commission within 30 days from the receipt of this letter. Any such appeal must be in writing, addressed to the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555, and should clearly state on the envelope and in the letter that it is an "Appeal from an Initial FOIA Decision."
