CONSTRUCTION AND WATER CONTROL MEASURES

Dear Mr. Rubenstein:

With reference to your December 10, 1979 letter, we are attaching a schedule we had prepared to address the concerns noted in Mr. J. P. O'Reilly's November 29, 1979 letter, a copy of which was sent to NRR, on the subject noted above. All of the recommendations outlined in your letter will be addressed in conjunction with this schedule and we expect to complete and submit all the requests for information in your letter no later than January 31, 1980.

Portions of the concerns noted in your letter have been addressed in our December 6, 1979 and December 12, 1979 letters to Mr. J. P. O'Reilly at I&E's Region II office, copies of which you received.

Should you have any questions or concerns, please inquire.

Yours truly,

W. E. Ehrensperger
