IN RESPONSE REFER
TO FOIA-84-507

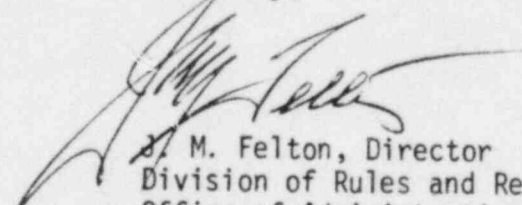

Dear Ms. Garde and Mr. Henderson:

This is in partial response to your letter dated June 15, 1984, in which you requested, pursuant to the Freedom of Information Act (FOIA), copies of records relevant to and/or generated in connection with a January 1984 memorandum issued by Louisiana Power and Light Company concerning interviews, surveys, and exit interviews which were designed to document worker concerns at the Waterford III Steam Electric Station. You also requested copies of the surveys and interview forms and questions, as well as the actual worker responses to the surveys, interviews, and exit interviews.

The documents listed on the enclosed Appendix A have been determined to be subject to your request and are being placed in the NRC Public Document Room (PDR), 1717 H Street, NW, Washington, DC 20555, for your inspection and copying. The documents will be filed in PDR folder FOIA-84-507 under your names.

Additional records that are subject to your request are undergoing further review for disclosure determinations and will be addressed in another letter.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosure: As stated
